What is the status of asking for competitive bid for legal services? Best Best and Krieger is projecting \$1.3M for the 2022-23 fiscal year! divided by 12 months is over \$100K per month! What are we litigating that our legal costs are this high?

CEREMONIAL

GENERAL COMMENTS

Pequeno was a big disappointment with no accomplishments. Crime is up, Homelessness is up, D-5 has closed retail stores, CVS, MIMI’s Carl’s JR

What is the vision of the new mayor??

Last year when the developer of Portola Oaks was releasing toxic levels of petroleum emissions into the Portola Hills community air from contaminated soil on the site they were building on, a resident contacted Cirbo to engage his support. The smell in the Portola Hills community was noxious and making people sick. Cirbo did nothing!!

A resident registered a formal complaint with the City and they told me they would have city engineer's out daily to monitor & investigate, but they still did nothing to stop the continuing problem.

Only after the resident contacted the AQMD, and an Orange County Register reporter to run a damning article on the situation, did the city of Lake Forest issue a stop order on the construction and the AQMD issued a citation to the builder.

When multiple retail business was burglarized in D-1 not once but twice, where was Cirbo? The owners said Cirbo never checked in on them.
