**Subject:** RE: ITEM #4 ON THE AGENDA - MIXED USE SITE (Portola South) // SIGNAGE.

I am writing to express my displeasure with the request by the builder at the mixed use site, Portola South to install a sign that is outside of current building code. An 11 foot sign is obnoxiously large for a building that is already large and very visible driving up Glen Ranch, a larger sign would be unnecessary. Its not a main thoroughfare or off the freeway so an extremely large sign directing people to those shops is crazy.

Please decline this request and ask them to maintain the current signage code.
